UNDERGRADUATE RESEARCH AMBASSADOR PROGRAM

The Undergraduate Research Office wants to remind everyone that there is one more week remaining for students to drop in for peer advising. Launched earlier this semester, the peer advising program provides an opportunity for students interested in learning more about how to engage in undergraduate research to talk to an experienced peer from the [Undergraduate Research Ambassador Program](#). We have also found that current researchers have been utilizing the peer advising hours to troubleshoot their current experience and get advice/feedback from peers as well.

Below are the hours for the last week of drop-in hours next week. We will start to promote spring semester hours in the coming weeks.

Friday, December 6th: 9:00 AM – 12:00 PM and 1:00 PM – 4:00 PM

Location: Bessey Hall, suite 170.
