CURRICULUM VITAE

Table of Contents

	Page
1. Biographical Information	2
2. Books	4
3. Edited Issues of Journals	4
4. Publications In Refereed Journals	5
5. Book Chapters	7
6. Other Publications	10
7. Book Reviews	13
8. Manuscripts In Progress	14
9. Presentations, Posters and Lectures	16
10. Professional Activities	28
11. Grants Received	33
12. Consultancies	35
13. Curriculum Development Activities	36
14. Community Activities	37
15. Administrative Activities	39
16. Research Areas of Interest	40
17. Courses Taught	41
18. Graduate Student Advising	42

CRAIG KETTERER HARRIS  
CURRICULUM VITAE

ADDRESS: Department of Sociology  
429B Berkey Hall  
Michigan State University  
East Lansing Michigan 48824-1111  
Telephone: 517/355-5048  
Fax: 517/432-2856  
Email: [harrisc@msu.edu](mailto:harrisc@msu.edu)

WEB PAGE: <http://www.msu.edu/~harrisc>

EDUCATION: University of Michigan Ph.D. (May 1978)  
Ann Arbor, Michigan Major Field--Mathematical Sociology  
Minor Field--Human Ecology  
Dissertation: The Uses of Diversity --  
Modernization in the Michigan Fishing Industry

Lawrence University B.A. (June 1968)  
Appleton, Wisconsin Interdisciplinary Major in the Social Sciences --  
Senior thesis--The Structure of the Grading System

OCCUPATIONAL EXPERIENCE:

Associate Professor, Department of Sociology, Michigan State University, East Lansing, July  
1982 to present

Visiting Professor, Department of Environmental Engineering, Autonomous Popular University  
of the State of Puebla, January-May 2009, January-May 2010.

Visiting Research Socioeconomist, Uganda Freshwater Fisheries Research Organization, Jinja,  
Uganda, 1991

Visiting Associate Professor, Department of Philosophy, Cheikh Anta Diop University, Dakar,  
Senegal, 1990

Visiting Associate Professor, Rural Sociology and Agricultural Extension, National Taiwan  
University, Taipei, 1987-1988

OCCUPATIONAL EXPERIENCE (continued):

Acting Coordinator, Population and Resources Center, College of Social Science, Michigan State University, East Lansing, 1979-1982

Assistant Professor, Department of Sociology, Michigan State University, East Lansing, 1977-1982

Research Associate, Evaluation Studies Section, Institute of Public Policy Studies, University of Michigan, Ann Arbor, 1976-1977

## BOOKS:

Alan P. Rudy, Dawn Coppin, Jason Konefal, Bradley T. Shaw, Toby Ten Eyck, Craig Harris and Lawrence Busch. 2007. Universities In the Age of Corporate Science: The UC Berkeley Novartis Agreement. Washington: Temple University Press.

Ronald C. Wimberley, Craig K. Harris, Joseph J. Molnar, Terry J. Tomazic (eds.). 2002. The Social Risks of Agriculture: Americans Speak Out On Food, Farming, and the Environment. New York: Praeger.

Conner Bailey, Craig Harris, Charles Heaton, and Rosalyn Ladner. 1986. Proceedings of the Exploratory Workshop on Fisheries Sociology. Woods Hole: Woods Hole Oceanographic Institution.

## EDITED ISSUES OF JOURNALS:

Craig K. Harris and Christopher K. Vanderpool. 1992. "Social Dimensions of Fisheries". A Special Issue of Society and Natural Resources, 5(2), April-June 1992.

## PUBLICATIONS IN REFEREED JOURNALS:

- Ananias Bagumire, Ewen C. D. Todd, George W. Nasinyama, Charles Muyanja, Wilson K Rumbelha, Craig Harris, Leslie D Bourquin. 2009. "Potential Sources of Food Hazards in Emerging Commercial Aquaculture Industry in Sub-Saharan Africa: A Case Study for Uganda". International Journal of Food Science and Technology.
- Worosz, Michelle R., Andrew J. Knight, David S. Conner, and Craig K. Harris. 2008. "Regulatory barriers to sustainability in the specialty red meat sector". Southern Rural Sociology. July 2008, 23(1):170-207.

## BOOK REVIEWS:

Gender, Class and Rural Transition by Maureen Mackintosh, WID Bulletin, 1990.

Texas Shrimpers by Robert L. Maril, Contemporary Sociology 14(1), 1985:108.

Manufacturing Green Gold by William H. Friendland, Amy E. Barton, and Robert J. Thomas, Rural Sociology, 49(1), Spring 1984, 157-159.

Environmental Decision Making in Rural Locales by Joan Goldstein, Contemporary Sociology, November 1983: 12(6), 679.

Rural Society and Environment in America by John E. Carlson, Marie L. Lassey and William R. Lassey, Rural Sociology, 47(4), Winter 1982:722-724.

Communities of Opposition by Brian C. Aldrich and Edward Mack, Contemporary Sociology, 11(4), July 1982: 410-411.

Change in Rural America edited by Richard D. Rodefeld et al., Rural Sociology, 44(4), Winter 1979.

## MANUSCRIPTS (in process of completion or under review):

Giorda, Erica and Craig K. Harris. "Marginal producers, political activists, per-formers of alternative realities: a comparative analysis of two food production networks in Naples (Italy) and Detroit (USA)". Manuscript currently under review for a special issue of Natures Sciences Societies on alternative food systems.

Randels, David J., Craig K. Harris, Ivan D. Ivanov, and Lawrence M. Busch. "Values, Standards and Criteria: The Sociology of Standards In the Michigan Juice Grape Industry". Being revised for resubmission to the Canadian Journal of Sociology.

Rother, H. Andrea and Craig K. Harris. "Pesticide Risk Perceptions of South African Farm Workers". Being revised for resubmission to Risk Analysis.

Williment, Kenneth, Toby Ten Eyck, and Craig K. Harris. "The Role of Stakeholder Identification In the Perception of Bovine Tuberculosis in Michigan". Being revised for resubmission to Rural Sociology.

Knight, Andrew J., Michelle R. Worosz, Craig K. Harris, Maria K. Lapinski-Lafaive, Toby A. Ten Eyck, Leslie D. Bourquin, Thomas S. Dietz, Paul Thompson, and Ewen C. D. Todd. "Consumer Perceptions of the Food Safety System: Implications for Food Safety Educators and Policy Makers". Rejected by Journal of Food Protection, currently being revised for submission to another journal.

Worosz, Michelle R., Bryon R. Botorowicz, and Craig K. Harris. "The Food Safety System of the United States". Currently being revised for an edited issue of the British Food Journal.

Worosz, Michelle R., Neal D. Fortin, and Craig K. Harris. "Regulating uniformity". Manuscript to be submitted to Journal of Food Protection.

Worosz, Michelle R., Andrew J. Knight, and Craig K. Harris. "What does "food safety" mean?". Manuscript to be submitted to Journal of Food Protection.

Sternquist, Brenda, Kami Silk and Craig K. Harris. "Food Fear and Faith". Manuscript to be submitted to Journal of Chinese Marketing.

Harris, Craig K. "The Behemoth and the Cyborg: Scientists and Contested Technology". Journal article on the ongoing contestation over the growing of rice that has been genetically modified to produce pharmaceutical substances in the U.S.

Harris, Craig K. "Fisheries Without Subsidies". Article to be submitted to the International Journal of the Sociology of Agriculture and Food.

Harris, Craig K. “The Transnational State and the Global Fishery System”. Journal article on the different theoretical views about the emergence of a transnational state, and the realization of those views in the global fishery system.

Harris, Craig K. “The Development and Implementation of Grades and Standards In Seafood”. Journal article on the proliferation of types of standards for seafood.

Worosz, Michelle R. and Craig K. Harris. “The Coevolution of Pests, People and Programs In the Tart Cherry Agroecosystem”. Journal article on the development of the tart cherry industry in northwest Michigan from the late 1800s to the present time.

Harris, Craig K. and Michelle R. Worosz. “Pits, Pests and Power: Resistance and Agency In the Tart Cherry Agrifood System”. Journal article applying the symmetry of agency and resistance to social and non-human entities in the tart cherry agrifood system.

## PRESENTATIONS, POSTERS AND LECTURES:

- Giorda, Erica and Craig K. Harris. 2012. "Social and Spatial Locations of Food Waste". Paper presented at the annual meetings of the American Association of Geographers, New York, 22-26 February 2012.
- Giorda, Erica and Craig K. Harris. 2012. "Land and Liberty: Anarchism and the re-localization of the food system". Paper presented at the annual meetings of the American Association of Geographers, New York, 22-26 February 2012.
- Harris, Craig K. 2011. "GMO's and the Social Science of Science and Technology". Invited presentation at Symposium and Workshop "THE NEW 2,4-D AND DICAMBA-TOLERANT CROPS: MANAGING RISKS TO FARMS AND COMMUNITIES", Ohio State University, Columbus, November 2011.
- Giorda, Erica and Craig K. Harris. 2011. "Marginal producers, political activists, performers of alternative realities: A comparative analysis of two food production networks in Naples and Detroit". Paper presented at the biennial meetings of the European Society for Rural Sociology, Chania, Greece, August 2011.
- Zawedde-Mugwanya, Barbara, Rebecca Grumet, James Hancock, Craig Harris. 2011. Stakeholder Engagement in Problem Formulation Phase of Environmental Risk Assessment. Case Study: Introduction of GM Sweetpotato and GM Banana in Uganda. Poster presentation, May 2011.
- Harris, Craig K. 2010. "The Pufferfish and the Paneid Shrimp: Assuring the Safety of Commercial Seafood". Paper presented at the Special Symposium on Food Safety of the Research Committee On Agriculture and Food (RC-24) of the International Sociological Association, Goteborg, Sweden, July 2010.
- Harris, Craig K. 2010. "Certifying Sustainability – Labeling and the Quest for Sustainable Seafood". Paper presented at the International Symposium on Innovation and Sustainable Development In Agriculture and Food, Montpellier, France, July 2010.
- Harris, Craig K. 2010. "Social, Economic and Environmental Sustainability In Dealing With Environmental Issues". Keynote address to the Inaugural Symposium of the Mexican Environmental Engineering Society On the Keys to Sustainability In Dealing With Environmental Issues. Puebla, Puebla, Mexico, 14 May 2010.
- Harris, Craig K. 2010. "Engineering an Enduring Environment: The Social Dimensions of Sustainable Development". Keynote address for the Professional Development Course on Environmental Legislation, Universidad Popular Autónoma del Estado de Puebla, Tehuacan, Puebla, Mexico, 12 February 2010.

- Beach, Leighanna and Craig K. Harris. 2009. "Environmental Management By Rural Residents". Poster presented at the National Science Foundation Longterm Ecological Research Program All Scientists Meeting, Estes Park, Colorado, September 2009.
- Rabb, M. Margaret and Craig K. Harris. 2009. "Constructions of Conservation In the Southeast Alaska Halibut Fishery". Poster presented at the annual meetings of the American Fisheries Society, Nashville, Tennessee, September 2009.
- Rabb, M. Margaret and Craig K. Harris. 2009. "Issues of Community: Halibut In Southeast Alaska". Poster presented at the biennial meetings of the European Society for Rural Sociology, Vaasa, Finland, August 2009.
- Harris, Craig K. 2009. "To Test or Not to Test -- Why Or Why Not to Implement a Microbiological Testing Plan: Legal and Social Perspectives". Panel presentation at the annual meetings of the International Association for Food Protection, Dallas, Texas, July 2009.
- Harris, Craig K. 2009. Panel presentation at the annual joint meetings of the Association for the Study of Food and Society and the Agriculture Food and Human Values Society, State College, Pennsylvania, June 2009.
- Rabb, M. Margaret and Craig K. Harris. 2009. "Issues of Governance: Halibut In Southeast Alaska". Poster presented at the First International Marine Conservation Congress, Fairfax, Virginia, May 2009.
- Harris, Craig K. 2008. "Social Dimensions of Pharmaceuticals In the Environment: Response to A Transatlantic Perspective On Trends In Pharmaceutical Risk Management By Frederic Boudier". Panel discussion at the Workshop On Pharmaceuticals In the Environment", Michigan State University, November 2008.
- Harris, Craig K. 2008. "Social Dimensions of Food Safety and Foodborne Illness". Plenary presentation at the Tenth International Food Safety Conference, the annual meeting of the Mexican Association for Food Protection, Puerto Vallarta, Mexico, November 2008.
- Worosz, Michelle R., David M. Holt, and Craig K. Harris. 2008. "When You Don't Care Enough to Send the Very Best: The Hallmark Beef Debacle". Paper presented at the annual meetings of the Rural Sociological Society, New Hampshire, July 2008.
- Worosz, Michelle R., David M. Holt, and Craig K. Harris. 2008. "Faith, Treachery and the Great Agricultural Continuum: Critique, Understanding, and Clarity within the Agrifoodie Collective". Paper presented at the annual meetings of the Rural Sociological Society, New Hampshire, July 2008.

- "Dynamics of Change In the Lake Victoria Fishery". Poster presented at the National Science Foundation workshop on research on the African environment, Arlington, February 2005.

- "The Social Ecology of the Carrot In Michigan / La Ecologia Sociale de la Zanahorilla en Michigan" with E. Kurlfink. Paper presented at the meetings of the Society for Human Ecology, Cozumel, Mexico, February 2004. Presentation is available at <http://www.msu.edu/~harrisc> .
- "Standards In Commercial Fisheries". Paper presented at the annual meetings of the Agriculture and Human Values Society, Hyde Park, New York, June 2004. Presentation is available at <http://www.msu.edu/~harrisc> .
- "The Carrot and the Stick: Enhancing the Future of the Carrot Industry In Michigan" (with E. Kurlfink). Paper presented at the joint meetings of the International Rural Sociological Association, and the Research Committee 40 on the Sociology of Agriculture of the International Sociological Association, at Trondheim, Norway, July 2004. Presentation is available at <http://www.msu.edu/~harrisc> .
- "Standards In Commercial Fisheries". Paper presented at the meetings of the Workshop on Policy and Research Network on Standards and Rules of Trade (START), Copenhagen, Denmark, 13-14 December 2004. Presentation is available at <http://www.msu.edu/~harrisc> .
- "Risk Communication and Risk Perception in a Developing Country: Gender Influences on Pesticide Label Comprehension and Cautionary Behavior in South Africa" (with H. A. Rother), paper presented at the annual meetings of the Society for Risk Analysis, Baltimore, December 2003.
- "The Social Dimensions of Food Safety". Paper presented at the annual workshop of the Food Safety Division of the Michigan Department of Agriculture, East Lansing, Michigan, November 2003.
- "The Food Safety System". Paper presented at the National Food Safety and Toxicology Center Seminar Series, Michigan State University, East Lansing, Michigan, November 2003.
- "The Social Dimensions of Food Safety". Paper presented at the annual meeting of the Michigan Environmental Health Association, Bellaire, Michigan, October 2003.
- "Transitions In the Agricultural Landscape of Southwest Michigan 1800-2000" (with A. P. Rudy, B. J. Thomas, M. R. Worosz and S. K. Kaplan). Presentation at a Workshop On Agrarian Landscape Transitions, U. S. National Science Foundation Longterm Ecological Research Project All-Scientists Meeting, Seattle, September 2003.
- "Transitions In the Agricultural Landscape of Southwest Michigan 1800-2000" (with A. P. Rudy, B. J. Thomas, M. R. Worosz and S. K. Kaplan). Poster presented at the U. S.

National Science Foundation Longterm Ecological Research Project All-Scientists Meeting, Seattle, September 2003.

"Grains In the Agricultural Landscape of Southwest Michigan 1800-2000" (with A. P. Rudy, B. J. Thomas, M. R. Worosz and S. K. Kaplan). Poster presented at the U. S. National Science Foundation Longterm Ecological Research Project All-Scientists Meeting, Seattle, September 2003.

"Fruit In the Agricultural Landscape of Southwest Michigan 1800-2000" (with A. P. Rudy, B. J. Thomas, M. R. Worosz and S. K. Kaplan). Poster presented at the U. S. National Science Foundation Longterm Ecological Research Project All-Scientists Meeting, Seattle, September 2003.

"Animals In the Agricultural Landscape of Southwest Michigan 1800-2000" (with S. K. Kaplan, A. P. Rudy, B. J. Thomas and M. R. Worosz), poster presented at the U. S. National Science Foundation Longterm Ecological Research Project All-Scientists Meeting, Seattle, September 2003.

"The Adoption of IPM Techniques By Michigan Carrot Growers" (with E. L. Kurlfink), paper presented at the 30th International Carrot Conference, Muskegon, September 2003.

"Bovine Tuberculosis and Stakeholders In Michigan: Making Sense of the Message" (with K. Williment and T. Ten Eyck). Poster presented at the Joint Meetings of the Rural Sociological Society and the American Agricultural Economics Association, Montreal, 2003.

"The Roles of Science In Discourse In India About Agricultural Biotechnology" (with T. Yamaguchi). Paper presented at the Joint Meetings of the Rural Sociological Society and the American Agricultural Economics Association, Montreal, 2003.

"Bovine Tuberculosis In Michigan: Perspectives On Science" (with K. Williment and T. Ten Eyck). Paper presented at the joint annual meetings of the Association for the Study of Food and Society and the Agriculture, Food and Human Values Society, Austin, 15 June 2003.

"Forms of Resistance In the Tart Cherry Industry of Michigan" (with M. R. Worosz). Paper presented at the joint meetings of the Association for the Study of Food and Society, the Agriculture, Food and Human Values Society, and Research Committee 40 of the International Sociological Association, Austin, 15 June 2003.

"Agricultural Legacies In Southwest Michigan: Perspectives On Socio-environmental Change" (with B. J. Thomas, M. R. Worosz and A. P. Rudy). Poster presented at the Michigan Land Use Forum, Michigan State University, East Lansing, 5 February 2003.

- “Ecological Rationality Of Michigan Carrot Growers” (with W. Kurlfink), poster presentation at the Annual Meetings of the Rural Sociological Society, Chicago, August 2002.
- “Michigan Carrot Farmers In an Age of Anxiety” (with E L. Kurlfink and M. R. Worosz). Poster presented at the annual meetings of the Rural Sociological Society, Chicago, August 2002.
- "Bovine Tuberculosis In Michigan: A State or National Issue?" (with K. Williment and T. Ten Eyck). Paper presented at the joint meetings of the Association for the Study of Food and Society and the Agriculture, Food and Human Values Society, Chicago, 16 June 2002.
- "Understanding Agricultural Biotechnology In India" (with T. Yamaguchi). Paper presented at the meetings of Research Committee 40 on Agriculture of the International Sociological Association, Brisbane, 10 July 2002.
- “Michigan Carrots under Siege: Ecological Rationality in the Face of Economic, Political, and Ecological Pressures” (with E. L. Kurlfink), presentation at the joint meetings of the Agriculture, Food and Human Values Society and the Association for the Study of Food and Society, Chicago, June 2002.
- "Trends In Farm Size, Ownership, and Management Patterns In Ten Southwestern Michigan Counties" (with B. J. Thomas and A. P. Rudy). Poster presented at the Michigan Land Use Forum, Michigan State University, East Lansing, 6 February 2002.
- “The Community of Cherries” (with M. R. Worosz). Poster presented at the annual meetings of the Rural Sociological Society, Washington, August 2001.
- "Discourse Over Agrifood Biotechnology: The Case of Bt Cotton In India" (with T. Yamaguchi and L. M. Busch). Presentation at the joint annual meetings of the Association for the Study of Food and Society and the Agriculture, Food and Human Values Society, Minneapolis, June 2001.
- "Tradeoffs Between Risks and Benefits In Pest Management" (with E. L. Kurlfink and M. R. Worosz). Presentation at the joint annual meetings of the Association for the Study of Food and Society and the Agriculture, Food and Human Values Society, Minneapolis, June 2001.
- "Agrifood Biotechnology Discourse in India" (with T. Yamaguchi and L. Busch). Presentation at a Collaborative Workshop sponsored by the Consortium of Title VI National Resource Centers for South Asia, Syracuse and Cornell Universities, entitled Public Goods and Public Bads in Nature From Landscapes to Genomes in South Asia, Ithaca, New York,

22-23 February 2002. Presentation available at  
[http://www.einaudi.cornell.edu/SouthAsia/workshop/land\\_genome.asp](http://www.einaudi.cornell.edu/SouthAsia/workshop/land_genome.asp)

“Agricultural Biotechnology – A Social Science Perspective”, Michigan Sustainable Agriculture Network, 26 January 2001.

“Social Issues In Agricultural Biotechnology”, Conference on Social Policy and Biotechnology, Georgia Technological University, 15 May 2000.

“The Social Dimensions of Agrifood Biotechnology”, Colloquium on Biotechnology and Society, Lawrence University, 25 April 2000.

“Pesticide Use and Usage On Michigan Fresh and Processed Carrots” (with M. R. Worosz and D. Ouyang), Conference on the Future of Michigan Agriculture, January 2000, East Lansing.

“Husband’s and Wife’s Perspectives on Testing for AIDS Status” (with Teri Swezey and others), Congress of the International Sociological Association, Montreal, July 1998.

“Beliefs and Attitudes About Risk of Michigan Fruit Growers” (with Michelle R. Worosz), annual meetings of the Rural Sociological Society, Toronto, August 1997.

“The Good Earth: Corn Growers’ Images of Soil Management” (with Lisa S. Bohannon), annual meetings of the Rural Sociological Society, Toronto, August 1997.

“The Shrimp and the Perch: Technoscience In the Reconstruction of the World’s Fisheries” (with Michael Skladany), Political Economy of the World System symposium, Manhattan, Kansas, June 1996.

"Potentials for Comanagement of the Nile Perch Fishery - Lake Victoria, Tanzania" (with D. C. Wilson, M. Medard and D.S. Wiley. Paper presented at the "Voices from the Commons" conference of the International Association for the Study of Common Property, Berkeley CA, 5-8 June 1996.

“Chaos and Regime Formation In the Management of the Lake Victoria Fisheries”, presented at the Symposium On Reinventing Fisheries Management, Fisheries Centre, University of British Columbia, 1996.

"The Politics of Sustainable Information" (with M. R. Worosz), presented at the Conference On the Politics of Sustainable Agriculture, University of Oregon, Eugene, October 1995.

- "Risk Perceptions: An Analysis of 'Alternative' Fruit Growers In Michigan" (with M. R. Worosz), presented at the annual meeting of the Rural Sociological Society, Washington, D.C., August 1995.
- "Use of Biological Pest Management Techniques by U.S. Farm Operators" (with D. L. Rusz), presented at the annual meeting of the Rural Sociological Society, Washington, D.C., August 1995.
- "Socioeconomic Changes In the Ugandan Lake Victoria Fishery". Uganda Fisheries Research Institute, Jinja, 16 June 1995.
- "Global Pesticide Use", presented at the Agrarian Futures Conference, University of Wageningen, May 1995.
- "Politics, Production and Sustainability: Whose Job Is It?" (with M. R. Worosz), presented at the Agrarian Futures Conference, University of Wageningen, May 1995.
- "Water Issues In Africa". Panel discussion for Hunger Awareness Week, Center for Advanced Study of International Development, Michigan State University, 13 October 1994.
- "The Relationship Between Fisheries and the World Water Situation". Hunger Awareness Week, Center for Advanced Study of International Development, Michigan State University, 10 October 1994.
- "Impact of Radical Environmental Groups On the State" (with D. L. Rusz), presented at the rural Sociological Society meetings, Portland, August 1994.
- "The Transnational State and the International Fish". International Sociology Association meetings, Bielefeld, July 1994.
- "New Paradigms and Old Values: Environmental Attitudes of Taiwanese Farmers" (with Tu Su-hao). Rural Sociological Society meetings, Orlando, 1993.
- "Integrated Pest Management: A Harbinger of (Non-Silent) Spring" (with M. E. Whalon). Rural Sociological Society meetings, Columbus, 1991.
- "Agricultural Structure & Environmental Attitudes in the Selection of Farming Practices in Michigan and Taiwan" (with Tu Su-hao), International Conference On Agriculture and the Environment, Columbus, 1990.
- "Agricultural Structure & Environmental Attitudes in the Selection of Farming Practices in Taiwan", Department of Sociology, Michigan State University, April 1990.

- "Social Values, Agricultural Attitudes, and Support for Alternative Farming Systems" (with P. T. Shepard), Second Biennial Conference of the Agriculture, Food and Human Values Society, Little Rock, November, 1989.
- "Social Dimensions of Sustainable Agriculture", Departments of Horticulture and Crop and Soil Sciences, Michigan State University, November 1989.
- "Prospects for a Renewable Energy Society", Panel Discussion, Michigan Sociological Association, Ypsilanti, October 1988.
- "Classes of U.S. Society and Attitudes Toward Agriculture" (with J. McAllister), Midwest Sociological Association, Minneapolis, March 1988.
- "An Overview of Environmental Sociology", Jung-hua Institute for Economic Research, Taipei, 10 December 1987.
- "Energy and Environmental Sociology", Jung-hua Institute for Economic Research, Taipei, 22 January 1988.
- "Agriculture and Environmental Sociology", colloquium presented to the Department of Geography, National Taiwan University, Taipei, 17 December 1987.
- "Socioeconomic Factors In Home Food Production" (with Ginger E. Macheski), Association for the Study of Food and Society, Grand Rapids, April 1987.
- "Social Determinants of Attitudes Toward Farming: Who Are the Friends of the Farmer", American Association for the Advancement of Science, Chicago, February 1987.
- "Organic Farming In Michigan", Fruit/Vegetable Production Seminar, Horticulture Department, Michigan State University, 3 March 1986.
- "Changing Patterns of Southern Farmland Ownership", Southern Rural Sociological Association meetings, Orlando, February 1986.
- "The Changing Structure of Farmland Ownership In the South", Conference on Agricultural Change: Consequences for Southern Farms and Rural Communities, Atlanta, October 1985.
- "Social Dimensions of Fisheries Management", Social Assessment of Fisheries Resources Symposium, Kettunen Center, 4 September 1985.
- "Toward a Sociology of Fisheries", Workshop On Fisheries Sociology, Woods Hole, 26 April 1985.

- "The Structure of Farmland Ownership in the United States: Change and Continuity" (with Jess Gilbert), USDA Conference on Land Transfers, Madison, 5-7 September 1984.
- "The Uses of Diversity in Great Lakes Fishery Policies", 1984 Rural Sociological Society meetings, College Station.
- "The World System and Marine Resource Development" (with C.K. Vanderpool and Nancy S. Merson), 1984 Rural Sociological Society meetings, College Station.
- "Marine Resource Development and Developing Countries: Rough Seas to Neptune's Treasures" (with C.K. Vanderpool and N.S. Merson), The Right to Food: An International Conference on Freedom from Hunger, 25-31 May 1984, Montreal.
- "The Uses of Diversity in Great Lakes Fishery Policies", Twenty-seventh Conference of the International Association for Great Lakes Research, St. Catharine's Ontario, 3 May 1984.
- "Values and Beliefs of Rural and Urban Communities", Seventh Michigan Agricultural Leadership Program, 16 January 1984, East Lansing.
- "Modelling Trends in Residential Natural Gas Consumption" (with Dale Jager and J.J. Zuiches), Conference on Families and Energy, Michigan State University, East Lansing, 9-11 October 1983.
- "International and National Development of Fisheries Resources", Second Symposium On the Political Economy of Food and Agriculture, August 1983, Ann Arbor.
- "The Income Determination Process of Farmland Owners" (with Jess Gilbert), 1983 Rural Sociological Society meetings, Lexington.
- "Attitudes, Ideology and Choice of Farming Practices", Conference on Agriculture, Change, and Human Value, 20 October 1982, University of Florida, Gainesville.
- "Converting to Woodburning", Third International Symposium on the Human Side of Energy, 4 August 1982, Knoxville, Tennessee.
- "Present and Projected Residential Fuelwood Use In Michigan", Michigan Society of American Foresters Annual Meeting, 29 April 1982, Grayling, Michigan.
- "Problems and Solutions to the Adoption of Wood for Home Heating", Symposium on Wood and Other Ways to Beat the High Cost of Home Heating, 26 March 1982, Michigan State University.

- "Residential Energy Consumption and Conservation In Michigan Households" (with Joanne G. Keith), Third International Symposium On Energy Conservation In the Built Environment, Dublin, Ireland, 30 March 1982.
- "The State of Organic Farming In Michigan", Department of Horticulture, Michigan State University, 27 October 1981.
- "The Changing Structure of Farm Land Ownership In the United States, 1946-1978" (with Jess Gilbert), 1981 Rural Sociological Society meetings, Guelph.
- "The Political Ecology of the Great Lakes Commercial Fishing Industry", Conference on the Political Economy of Food and Agriculture in Advanced Industrial Societies, 19 August 1981, Guelph.
- "Wood for Residential Heating: The New/Old Alternative", College of Human Ecology Senior Seminar 401, 13 July 1981.
- "Social and Ecological Concerns In the Transition to Eco-Agriculture", Symposium On Eco-Agriculture: Exploring New Economic and Ecological Aspects of Our Food and Energy Future, Michigan State University, 22 April 1981.
- "Social Consequences of Mechanization In Agriculture", Michigan Chapter of the American Society of Agricultural Engineers, 18 October 1980, East Lansing.
- "Adoption of Organic Farming Methods" (with Sharon E. Powers), 1980 Rural Sociological Society meetings, Ithaca.
- "The Social Bases of Agrarian Environmentalism" (with Frederick H. Buttel, Gilbert W. Gillespie, Jr., and Oscar W. Larson III), Fifth World Congress of Rural Sociology, 1980, Mexico City.
- "Unemployment, Primary Production, and Population In the Upper Peninsula of Michigan In the Great Depression" (with Jess C. Gilbert), A Half Century Ago: Michigan In the Great Depression, 19 January 1980, Michigan State University, East Lansing.
- "Residential Wood Heating Fuel Use In Michigan", Faculty Seminar on Household Research at Gull Lake Biological Station, Michigan State University, 16 January 1980.
- "Large Scale Farming, Rural Social Welfare, and the Agrarian Thesis: A Re-Examination" (with Jess C. Gilbert), 1979 Rural Sociological Society meetings, Burlington.
- "Myth and Reality in Organic Farming" (with Sharon Powers and Frederick Buttel), 1979 Rural Sociological Society meetings, Burlington.

"Farm Size, Structure, and Political Ideology" (with Frederick Buttel and Sharon Powers), 1979 American Sociological Association meetings, Boston.

"Corporate Land Ownership and Rural Poverty" (with Jess C. Gilbert), Rural Sociological Society, San Francisco, 3 September 1978.

"Mathematical Approaches to Sociological Problems", Mathematics Department Guest Lectures, Knox College, 4-5 May 1978.

"Diversification and Innovation", Southern Sociological Society, New Orleans, 28 April 1978.

"Anti-Schistosomiasis Campaigns in China", Rural Sociological Society, New York, 29 August 1976.

"Recent Developments in Mathematical Sociology", Sociology Department Colloquium, Knox College, 21 May 1976.

"Mathematical Approaches to Sociological Problems", Mathematics Department Colloquium, Knox College, 20 May 1976.

PROFESSIONAL ACTIVITIES:Scholarly and Professional Societies Memberships and Offices

Agriculture, Food and Human Values Society 1980 – present  
Board member, 2011-2013

American Fisheries Society  
Socioeconomics Section  
International Section  
Chair-elect, 1995-1997  
Chair, 1997-1999

American Sociological Association  
Environmental Sociology Section  
Newsletter Editor, 1983-1985

Conference for Food Protection  
Food Recall Task Force Co-Chair, 2010-2012

Council for Agricultural Science and Technology  
Task Force on Introduction and Dissemination of Pests of Plants and  
Animals, 1982-1986.  
Task Force on Biological Pest Management, 1992-1997  
Representative of the Rural Sociological Society, 2004-2007  
Task Force On Non-Dietary Human Impacts of Organophosphate Pesticides  
Co-Chair

International Association of Food Protection

North Central Sociological Association  
Session Organizer, Rural Sociology, 1979

Rural Sociological Society  
Natural Resources Research Group  
Sociology of Agriculture Research Group  
Nominations Committee, 1990-1992  
Program Committee, 1980-1981  
Representative to Council On Agricultural Science and Technology, 2004-2007

World Fisheries Congress  
International Steering Committee 1998-2000

**World Fisheries Council**

Representative from the American Fisheries Society 1998-2002

**Research Collaboratories and Regional Research Memberships and Offices****Food Safety Research Consortium**

**Southern Regional Research Committee on Socioeconomic Dimensions of Technological Change, Natural Resource Use, and Agricultural Structure (S-246), 1985-1996**  
Secretary, 1985-1986, 1994-1995  
Vice-chairperson, 1986-1987, 1995-1996  
Chairperson, 1988-1989

**Southern Regional Research Committee on Restructuring and Globalization of Agriculture and Natural Resources (S-276), 1996 to 2005**  
Chairperson, 1996-1997

**North Central Research Committee on Impacts of Natural Resource Development on Rural Communities, 1978-1981**

**Human Settlements Research and Development Group for Genesee County, Michigan State University Center for Environmental Quality, 1979-1980.**

**North Central Research Strategy Committee on Natural Resources**  
Secretary, 1977-1978

**Scholarly and Professional Journals**

**Agriculture and Human Values**  
Article referee, 1988 – present  
Associate Editor, 2001-2006

**Human Organization**  
article reviewer, 1980 – present

**Society and Natural Resources**  
Associate Editor, 1987 - 1993.  
Special Edition editor, Social Dimensions of Fisheries, 1990-1994

**Rural Sociology**  
article referee, 1979 –present

Book Manuscript Reviews

Kansas University Press  
book manuscript reviewer

St. Martin's Press  
book manuscript reviewer

Grant Proposal Reviews

Fund for Rural America  
review panel member 1998

Institute for International Education  
review panel member, Fulbright Graduate Fellowships, 2004 - present

National Science Foundation  
research proposal reviewer

United States Department of Agriculture  
research proposal reviewer

United States Environmental Protection Agency  
research proposal reviewer  
review panel member, 2006

Research Report Reviews

Office of Technology Assessment of the U.S. Congress  
external research reviewer, 1984-1985

Meeting Paper Referee

American Housing Educator's Association  
paper referee, 1980

Agency Panels and Workshops

U. S. National Science Foundation  
Social Science In the Environmental Observatories Workshop, January 2007  
Environmental Research Collaborations in Africa, 2006  
WATERS (CLEANER), 2005-2008

## GRANTS RECEIVED:

External Funding Agencies

- “Analysis of biotechnology regulatory systems in Africa and implications for food security and improved rural livelihoods” (with Samuel Timpo et al.). Templeton Foundation. \$350,000.
- “Water Sustainability and Climate in the Great Lakes Region of East Africa” (with Thomas C. Johnson et al.). U.S. National Science Foundation Program on Water Sustainability and Climate. Planning grant for a proposal on the impact of climate change on Lake Malawi. \$136,809. 10/2010 – 9/2011.
- “Applying the IRGC Risk Governance Model to Listeriosis from Raw Milk Cheese” (with E.C.D. Todd [PI], A. J. Knight, M. R. Worosz, L.D. Bourquin). Proposal to the International Risk Governance Council for development of a manuscript using the IRGC risk governance model, \$7,500, 2006.
- “Analysis of the Impacts of the Agreement Between the University of California Berkeley and the Novartis Corporation” (with L. M. Busch [PI], A. P. Rudy, T. Ten Eyck, and B. Shaw). University of California at Berkeley Faculty Senate, \$250,000, 1/2003 - 12/2004.
- "Agrarian Landscape Transitions" (C. Redman, lead principal investigator, Arizona State University, \$1,500,000). Subcontract to Michigan State University, A. P. Rudy [PI] and C. K. Harris, \$150,000. U. S. National Science Foundation Biocomplexity Program, 7/2002 - 6/2007.
- “Dynamics of Discourse About Agribiotechnology – Bt Cotton In India”. Dissertation support grant for Tomiko Yamaguchi. U. S. National Science Foundation, \$13,000, 7/2001 - 6/2003.
- “Public Attitudes Toward Biotechnology” (with S. H. Priest [PI] and T. Ten Eyck), National Science Foundation, \$70,000, 7/2001 - 6/2003.
- "Societal Dimensions of Food and Agricultural Standards: A Training Program" (with L. M. Busch [PI], R. J. Bingen and T. R. Reardon). U.S. National Science Foundation. \$300,000. 6/2001 - 5/2004.
- "Pest Management In Carrot Production In the Midwestern United States" (with M. Hausbeck [PI] and others). United States Department of Agriculture: Cooperative State Research, Extension and Education Service. The total grant is \$2,000,000; the portion coming to sociology is \$80,000. 9/2000 - 8/2003.

“Making the Grade: Science and Values In Agricultural Grades and Standards” (with L. M. Busch [PI], R. J. Bingen and T. E. Reardon), National Science Foundation Science and Technology Studies, \$471,371, 1998-2001.

“Social Dimensions of Rural Land Management” (with C. K. Vanderpool [PI] and S. J. Gage), National Science Foundation Long-Term Ecological Research Program, Kellogg Biological Station, \$250,000, 1998-2003.

“Safeguarding the Supply of Specialty Crops for Consumers” (with J. A. Flore [PI], L. Gut, E. Hanson, and G. Van Ee), United States Department of Agriculture, \$80,000, 1998-2001.

“Michigan Commodity and Pest Management Profiles” (with M. E. Whalon [PI], R. J. Bingen and L. E. Olsen). United States Department of Agriculture, Cooperative State Research Education and Economics Service, Pest Management Assessment Program, \$29,113, 1998-1999.

“Socioeconomic Dimensions of Soil Organic Matter” (with G. P. Robertson [PI]), National Science Foundation, 1996-1997, \$40,000.

"Adoption of Biological Pest Management Techniques By United States Farmers" (C. K. Harris [PI] with M. E. Whalon), United States Office of Technology Assessment, 1994, \$16,000.

"The Adoption of LISA Techniques of Pest Management By North Central Fruit Growers" (C. K. Harris [PI] with T. C. Edens and M. E. Whalon), North Central Low Input Sustainable Agriculture Program, 1992-1995, \$42,000.

"Fragile Lakes, Fragile Lands: A Collaborative Research Project on the Transnational Lakes of East Africa and Latin America" (with D. Wiley [PI] and others), MacArthur Foundation, 1990-1992, \$350,000.

American Sociological Association Problems of the Discipline Grant on Sociology of Fisheries, (C. K. Harris [PI] with C. Bailey and C. Vanderpool), 1984-1986, \$5000.

"Operation and Evaluation of a Residential Energy Conservation Program: Statewide Project Conserve" (C. K. Harris and J. G. Keith [co-PI's] and others), Michigan Department of Commerce Energy Administration, 1978-1981, \$412,000.

#### Internal Funding Sources

“Niche Markets and Economic Development” (C. K. Harris [PI] with Andrew Knight, Michelle R. Worosz, David Conner (CARRS) and Ron Kinnunen (Michigan Sea Grant Program)). Proposal submitted to the Michigan State University Families and Communities Together

Coalition (FACT) Community Vitality Program for Economic Development -- Submitted Jan. 2006, budget \$50,000. Awarded \$15,000 for a planning and pilot project. Data from the planning and pilot project was used as the basis for the full proposal in 2007.

Proposal to Create a Food Safety Policy Center at MSU (with E. Todd [PI], L. Bourquin, D. Thiagarajan, and D. Clay). MSU Research Excellence Fund, \$1,500,000, 7/2004 - 6/2009.

"Social Dimensions of Bovine Tuberculosis In Michigan" (C. K. Harris [PI] with T. Ten Eyck and G. Habron). Michigan Agricultural Experiment Station. \$75,000. 7/2001 - 6/2004.

"Use and Usage of Pesticides On Specialty Crops In Michigan" (R. J. Bingen and C. K. Harris [co-PI's]), Michigan Agricultural Experiment Station, 1997-1998, \$20,000.

AID Title XII Competitive Grant for the Strengthening of Social Survey Materials on Francophone West Africa, Michigan State University, 1982.

Center for Advanced Study of International Development Grant for the Impacts of Biotechnology on International Development, Michigan State University, 1983.

Michigan State University All-University Research Initiation Grant for the Study of the Adoption of Residential Fuelwood for Home Heating By Michigan Homeowners, 1980.

Michigan Agricultural Experiment Station Research Support Grant for the Study of the Adoption of Organic Farming Techniques by Michigan Farm Operators, 1978-1980.

## CONSULTANCIES:

United States Information Agency Linkage Grant Between Michigan State University and the University of Senegal at St. Louis. Developing a curriculum for a department of sociology at the new university. April-May 1990.

U. S. Agency for International Development Food Security Project. Developing the design (including instruments and analysis) for a large scale survey of agroforestry in Rwanda. June-July 1990.

Uganda Freshwater Fisheries Research Organization. Developing the outline of a program of socioeconomic research (including funding and staffing). January-July 1991.

World Bank. Evaluating the plans for community participation in the proposed Lake Victoria Environmental Management Program. December 1995.

U. S. National Science Foundation. Developing Long-Term Ecological Research In Eastern Africa. July 2002.

United States Agency for International Development. Preliminary study for the Program for Food Industry Development – Fruits and Vegetables in Kenya, August 2001.

CURRICULUM DEVELOPMENT ACTIVITIES

Integrated Environmental Education

Semester Away at KBS

RISE Seminar

Fall 2001

Spring 2002

Fall 2002

Hewlett Fellow

Earth Systems Science

Soil and Society

Proposal for an Honor Semester on the Upper Peninsula of Michigan, Michigan State University  
Honors College, 1980

LANGUAGE COMPETENCE:

English, native speaker

French, fluent lecturing and reading

Swahili, conversational

Mandarin, conversational

## COMMUNITY ACTIVITIES:

Panel discussion on Food Safety Policy with Caroline Smith DeWaal, Michigan State University, 14 September 2010.

Interview on Public Opinion About Farming, Agriculture and Natural Resources Information Services Radio Show, October 1988.

Interview on Rural Michigan in Transition, Michigan Farm Bureau radio show, September 1984.

Presentation on "Biological Agriculture and the Rural Resources Program at the Kellogg Biological Station" to the Fourth Annual Great Lakes Biological Farming Conference, 31 January 1983, Lansing, Michigan.

Presentation on energy conservation potential of East Lansing residences, East Lansing Housing Commission, 16 April 1981.

Radio interview on Project Conserve in Michigan, "Colloquy", WKAR-FM and WKAR-AM, East Lansing, January, 1981.

State of Michigan Energy Administration Energy Information Review Group, 1981 to 1984.

"Land for the Future. . . Looking to the Future: A National and Global Perspective", a radio forum, WKAR-AM, 22 December 1980

"The Social Implications of the Trend Toward Diversified Farming", Symposium On the Structure of the Diversified Farm from an Economic and Social Viewpoint--Prospects for the Eighties, Lawrence, Michigan, 25 November 1980.

The Conoco Midwest Forum on Reachable Goals for the 80's, 29-31 October 1980, Minneapolis, invited participant.

"Problems Facing the Rural Areas of Michigan Today", Governor's Task Force on Small Towns and Rural Areas, Lansing, 9 October 1980.

Television Interview on the evaluation of residential energy conservation programs, with Bill Stevens of the Energy Administration of Michigan, February, 1980.

"Organic Farming in Michigan", Fall Festival of the Federated Organic Clubs of Michigan, 9 September 1979, Holt, Michigan.

"Beyond the Myths of Organic Farming", Thumb Area Organic Growers Organization, 18 October 1979, Lapeer, Michigan.

East Lansing Energy Conservation Taskforce, 1979-1980.

East Lansing Planning Commission Energy Advisory Committee, 1978-1979.

Board of Trustees, Clonlara School, Ann Arbor, Vice-President, 1977-1984.

## ADMINISTRATIVE ACTIVITIES:

Faculty Evaluation Committee, National Food Safety and Toxicology Center, Michigan State University, 2005-2008

Faculty Advisory Committee, National Food Safety and Toxicology Center, Michigan State University, 2000-2005

Program Advisory Group, Environmental Science and Policy Program, Michigan State University, 2004-2006

Faculty Advisory Committee, College of Social Science, Michigan State University, 2004-2005

Agricultural Experiment Station/Rural Sociology Group Chairperson, 1983 to 1987

University Committee on Academic Environment, 1983-1987  
Chairperson, 1984-1986

Faculty Liaison Committee to the Board of Trustees, Michigan State University, 1980-1981

Academic Council, Michigan State University, 1979-1982, 1983-1987  
Executive Committee, 1984-1986

Advisory Committee, Department of Sociology, Michigan State University, 1978-1982, 1983-1984, 2005-2007

Methods Committee, Department of Sociology, Michigan State University, 1977-1983

RESEARCH AREAS OF INTEREST:

The Food Safety System of the United States

Public and Professional Perceptions of Agrifood Biotechnology and Organic Agriculture

Coevolutionary Approaches to Agricultural Pests and Pest Management

The Management of the Lake Victoria Fisheries

Strategies of Adaptation in Primary Production Occupations--Fishing, Farming, Mining,  
Lumbering.

Sociological Aspects of Organic Farming in Michigan.

Farming Systems Research.

Determinants of Adoption of Energy Conservation Behaviors.

Implications of Adoption of Alternative Heat Energy Sources.

Energy Integrated Farm Systems.

Evolving Human Settlement Patterns and Structures.

Family Functioning in Self-Sufficient Household Systems.

Techniques of Public Policy Evaluation.

The Effects of Modernization in Commercial Fishing.

The Simulation of Differentiation.

The Contemporary Mining Community.

COURSES TAUGHT:

Human Ecology  
Rural Sociology  
Chinese Society  
Mathematical Sociology  
Research Methods  
Introductory Sociology  
Land and Society

Farming Systems Research and Extension  
United States Society  
Computer and Game Simulation  
Public Policy Evaluation  
Energy and Society  
Environmental Sociology  
Earth Systems Science

GRADUATE STUDENT ADVISING

Dissertations Directed

Jess C. Gilbert  
Ginger E. Macheski  
Sandra E. Hodge  
Valerie J. Gunter  
Vandana E. Kohli  
Douglas C. Wilson  
Thomas R. Anderson  
Michelle R. Worosz  
Laurie C. Perkins

In addition to dissertations directed, have directed four masters theses, and have been on the dissertation committees for over 100 doctoral students.
